ART WORK BY WILLIAM SPUNAR

FOREWORD

With the return of peace and normalcy to the United States, our staff wished to have the theme of the 1947 Breidlin represent America in peace. What could be more symbolical than that universally known institution—the circus—the circus with its glamour and glitter, romance and discipline, danger and thrills, gala parade, side shows and the diversified activities under the Big Top—the circus that boasts of a public from six to sixty?

Perhaps the most accepted representative of the circus is the clown. His droll antics, humor and pathos make him the most beloved character of all. That is why we have chosen him as the central figure in our Breidlin.

There are many parts of school life which correspond to those of the circus. Our school band is bright, colorful and rhythmical like the giant parade that heralds the coming of the circus. The Big Top, in which are all the performers and their audience, is very similar to our chapel where all our entertainments take place. Also, the various activities in which the students participate have many characteristics of the numerous side shows seen at the circus. Altogether the circus, we feel, has proved a perfect theme for this Breidlin of 1947.

DEDICATION

We, the students of Coughlin High School, wish to dedicate this issue of the Breidlin to Mr. J. H. Super, our principal, adviser, counselor, and friend. He is ever willing to help and advise us. He is a source of cheer to all who come in contact with him.

A MESSAGE TO THE CLASS OF 1947

Farewells are usually sad things, and we dread them. But in a school, the parting that comes with graduation is always accompanied by the satisfaction that comes with the attaining of a goal for which the graduates have been striving for twelve years. We rejoice with you as you reach this point in your life span and hope that our plans for your development and growth have been such that you are fitted for the bigger problems that await you in later life.

We trust that we have helped you lay firm, deep foundations on which you can build the structure of a great life, a life that will reach the greatest possibilities of which you are capable. We trust that this training which has been given you in your churches, your schools and homes may be such that your minds will be able to grow and interpret correctly the problems that you must face. For in this world that has changed so much in the last decade and which promises to change more in the future, your generation cannot depend upon history and the records of the past but must be prepared to understand and decide correctly, problems that human beings have never faced before.

You are going out into a world of boundless possibilities, and it is the earnest wish of your teachers and principal that you achieve great success.

John H. Super.

SOCIETY CHOSEN

When a new student enters Coughlin's doors for the first time, the idea of someday belonging to the National Honor Society should be uppermost in his mind. He should strive wholeheartedly to bring this about and if he is selected as a member he should be justly proud of himself. The day when he receives the pin of the National Honor Society on which is engraved the torch of knowledge should indeed be one of the highlights in his life.

SENIOR CLASS SONG

Tune: "Mam'selle"

School days over,
We must leave you;
All our fun days
Now are through.
We will miss you;
We will mourn you;
And, when we go at last,
We'll not forget the past—
We'll always, ever cleave to you.

We had football
In the autumn days,
And in wintertime
Senior Plays.
Then when spring came,
There was Minstrel time.
Now summer days are here,
And we must leave school so dear,
For summer days bring graduation time.

CHORUS:

Oh, dear old Coughlin High,
We now must say good-bye
To friends both old and new,
To teachers true,
And then to you.
We'll miss your friendly halls,
Assemblies, games, and balls:
And we'll recall with the passing of each new year,
The gay times and fun that we have had here
With you.
And so, farewell, good friend,
All good things have an end.
Our Alma Mater dear,
We'll e'er feel near
To you.

CLASS DAY SONG

Tune: "Aloha Oe"

Now your High School days are at an end,
Those days of happy hours are past;
But the ties that bind us, friend to friend,
Will remain while our life and mem'ry last.

You have shared with us your golden hours,
And filled with joy our high school days;
But a shadow steals across our hearts,
As we come to the parting of the ways.

Side by side we've fought for Coughlin High,
And shared the spoils of victory;
Yet the glory shines with dimmer light,
As the shadow of parting now we see.

We respect you for your loyalty,
We love you for your friendliness;
We admire you for your spirit true,
Class of Forty-Seven, we pray for your success.

CHORUS:

Farewell to you, our senior friends,
Our memories of you will e'er be dear;
And we will pledge our faith and love to you,
Our pledge from year to year.

—MARION STURDEVANT

JUNIOR USHERS

The Junior Ushers are not an organized group, in that they have no officers. They have been of invaluable service to the school, as they have ushered at the Senior Play, Operetta,

Minstrel and Amateur Show, and will serve at the graduation exercises.

Only students having the highest scholastic standing can be members.

Coughlin Students Halt Vacation to Get Yearbooks

**Breidlin Delayed Because of Paper Shortage;
Autograph Collectors Have Busy Day**

They didn't have to go, but 1,300 Coughlin High School students, of their own free will, broke into the middle of their cherished summer vacation to go back to school yesterday afternoon for four hours.

For once in their school careers, many of them were on time and some even early. The students from all four high school classes, freshmen, sophomore, junior and senior, eagerly trooped to the high school at 1 and stayed until 5.

The reason for the summer holiday session was distribution of The Breidlin, Coughlin yearbook, delayed in publication by the paper shortage.

Business staff of the publication handed out the year books in the auditorium at 1 and for the rest of the afternoon students busied themselves autographing the books and dancing in the gymnasium to the music of Otello Meucci's band. Meucci was graduated last month.

The only dark cloud on an otherwise perfect afternoon for the students was announcement by J. H. Super, principal, that school bells will ring again on September 5.

HIGHLIGHTS OF '46-'47

Every school year has its share of memories, little incidents as well as the usual routine happenings that will always remain in the minds of teachers and students alike. Looking backward, the Class of 1947 will find many such memories.

FALL

September saw the organization of a home room exclusively for returned veterans who wished to complete their education or to obtain extra credits necessary for college. Under the patient supervision of Mr. Arthur Booth, this class was a worthy addition.

Tryouts for the editorial and business staffs of the Board of Publications were held the second week of school, and for the first time four editors were initiated into the fascinating world of editing copy. They were happily excited when the Sunday Independent sent a photographer over to take their pictures for the paper. Following the Journal campaign, the illustrious Journal room was the scene of ceaseless activity. This year's staff was fortunate in having William Spunar as art editor.

After the first hectic weeks of arranging classes, students began to take an interest in the social side of school. Clubs were reorganized, and the Key Club was added to Coughlin's extra-curricular activities. After

three inactive years, the Science Club blossomed out with a large membership. The Junior and Senior Girl Reserves changed their name to the "Y-Teens." A new crop of Junior Ushers was chosen. Bernard Chandler was selected as head bank cashier.

The football season was relatively uneventful save for the suspense concerning the new band uniforms. Much to the disappointment of everyone—particularly the band—they failed to arrive before the season ended.

The leaves turned to red and gold and finally the trees were bare. Winter was upon us.

WINTER

Winter coats were donned as the students flocked to the senior play, a delightful production of Broadway's "Janie." Miss Myvanwy Williams took a bow for her excellent direction.

Christmas was in the air as well as in the decorations. Gay tinsel-trimmed trees stood in the halls, and the members of the Key Club, who managed these decorations very nicely, just couldn't resist throwing silver icicles on everything in sight. Christmas is a time dear to the hearts of every Coughlin

student not only because of Santa Claus and snow and presents but because of the two weeks' vacation that accompany it. On December 29 a "Candy Cane Frolic" was held by the Y-Teens. It was a gay affair.

School resumed on January 2.

For the first time Wilkes-Barre played host to the Northern District Festival. Several Coughlin students took part in this three-day affair, and we were honored to have two of them chosen as members of the All-State Chorus. Betty Johnson and Kenneth Cave made the trip to Harrisburg and participated in the Pennsylvania State Festival.

As the month progressed, Mr. Super discussed the plans for the new building which is to be added to Coughlin High School. As he described the charms of the new addition, students longingly wished that they would still be here to enjoy all its modern conveniences.

During the latter part of the winter the Junior Y-Teens held a roller-skating party.

Some of the icy sting had gone out of the wind, timid buds were appearing on the trees, and more than a month of the second semester was gone. Spring was just around the corner.

SPRING

Under the direction of Miss Arline Weiss and Mrs. Margaret Evans, "A Waltz Dream," a charming operetta was presented as the Senior Select Chorus's annual contribution.

With the coming of spring thoughts turned to baseball, track, graduation, and vacation. As time marched on arrangements were made for our Junior-Senior outing. A boat trip up the Hudson River similar to the one held a few years ago was planned. Mr. West's office became a meeting place for discussion of the trip by the students as they paid their deposits.

A joint meeting was arranged between the Senior Y-Teens and the Hi-Y. This event took place at the Best Cellar Canteen, the Coughlinites' favorite "hang-out."

The Minstrels and Amateurs were combined into two acts of rollicking fun on April 18. They featured a circus theme (just like the Breidlin), and the directors, Mr. Paul Lewis and

Mr. F. H. Super and Miss Zlata Tuhy are to be congratulated for their fine work.

As the year draws to a close, final plans are being made for Class Day and graduation. Each senior home room has elected a representative to take part in the Class Day program, and the Senior Speech Choir will present an entertaining group of poems depicting American characters.

The music selected for the graduation exercises is stirring. Fred Waring's arrangement of the "Battle Hymn of the Republic" and the "Gloria" from the Twelfth Mass by Mozart will be sung.

Thus another year is ended. The underclassmen will return again in the fall, but we seniors are looking toward wider horizons and speculating what the future will bring. No matter what it holds we will always reserve a spot in our hearts for Coughlin High School.

Athletic Banquet

A banquet and dance were given on Monday, February 3, honoring the 1947 athletic teams. Mr. J. H. Super was the toastmaster, and Attorney Daniel J. Flood was the principal speaker. Others who spoke were: Mr. Lewis Jones, Mr. Thomas Smailes, Mr. Harry May, Mr. A. L.

The **A Cappella Choir**, long a favorite of Coughlin students, sang for the State Grange Convention, several hospitals and the Sutton Home. It also broadcast during Music Week. (Page 71)

The **Art Club** members entered 65 pieces of work in the Scholastic Art Exhibit in Scranton. Eileen Degnan, Joan Thomas, Joseph Snarski, Gregory Mirowski, Emily Ungvarskey, Nancy Flynn, Beatrice Krothe, and Rose Slawich all won keys. Several won places. (Page 73)

The **Band** in their bright new uniforms make a gay scene as they parade. (Page 71)

The **Bank Cashiers** teach our students the habits of thrift and banking. One fine worker is Eleanor Zelinski, who has had 100 per cent banking in her room. (Page 74)

The **Bowling Club** played 10 games, the last being for the championship, which was won by Team Seven: Wayne Dietrick, William Michaels, Bernard Feher, Maurice Johnson, and James Bone. (Page 77)

The young musicians of the **Freshman Orchestra** play with the hope of qualifying for a place in the varsity. Special credit goes to Phyllis Deisher and Barry Hartshorn who were honored in participating in the festival at Meyers High School. (Page 72)

The **G. A. A.** is the club for our girl athletes. As usual the club welcomed the freshman girls to the school with a Hallowe'en party. (Page 81)

The **Hi-Y** has had an eventful year, consisting of a Christmas party, mixed swim, joint meetings with both Junior and Senior Y-Teens, a weiner roast and a banquet. (Page 77)

The **Journal Reporters** have done a fine job in reporting interesting events which have happened in their clubs and classes. (Page 74)

This year the **Junior Red Cross** filled 100 Christmas boxes to be sent abroad. Their representatives at the Wyoming Valley Chapter House were Joan McGeehan and William Cawley. (Page 75)

The **Junior Y-Teens** report a roller skating party, dance, joint meeting with the Hi-Y, several lectures, a mid-fall conference at Williamsport, a banquet and two proms. (Page 79)

The **Key Club**, organized in October, is selling plates advertising the school, planning and developing a handbook, and giving a dance on May 2. Among the most active members are George Bombay, John Duffy, and Bernard Chandler. (Page 75)

The **Masquers**, which does so much to develop dramatic talent, presents such wonderful entertainments to the school as the Senior Play, Janie, the Journal and Breidlin Skits, and the Speech Choir for Class Day. (Page 83)

Outstanding demonstrations were given at meetings of the **Science Club** by Samuel Linko with home-made radio sets, Charles Dixon with actual planes and engines, Leonard Friedman with photography, and Bernard Chandler with scientific toys. (Page 76)

The **Senior Select Chorus** presented the operetta, "The Waltz Dream." Outstanding soloists were James Bone and Jean Halter. Betty Johnson, the talented accompanist, deserves special credit for her brilliant work. (Page 84)

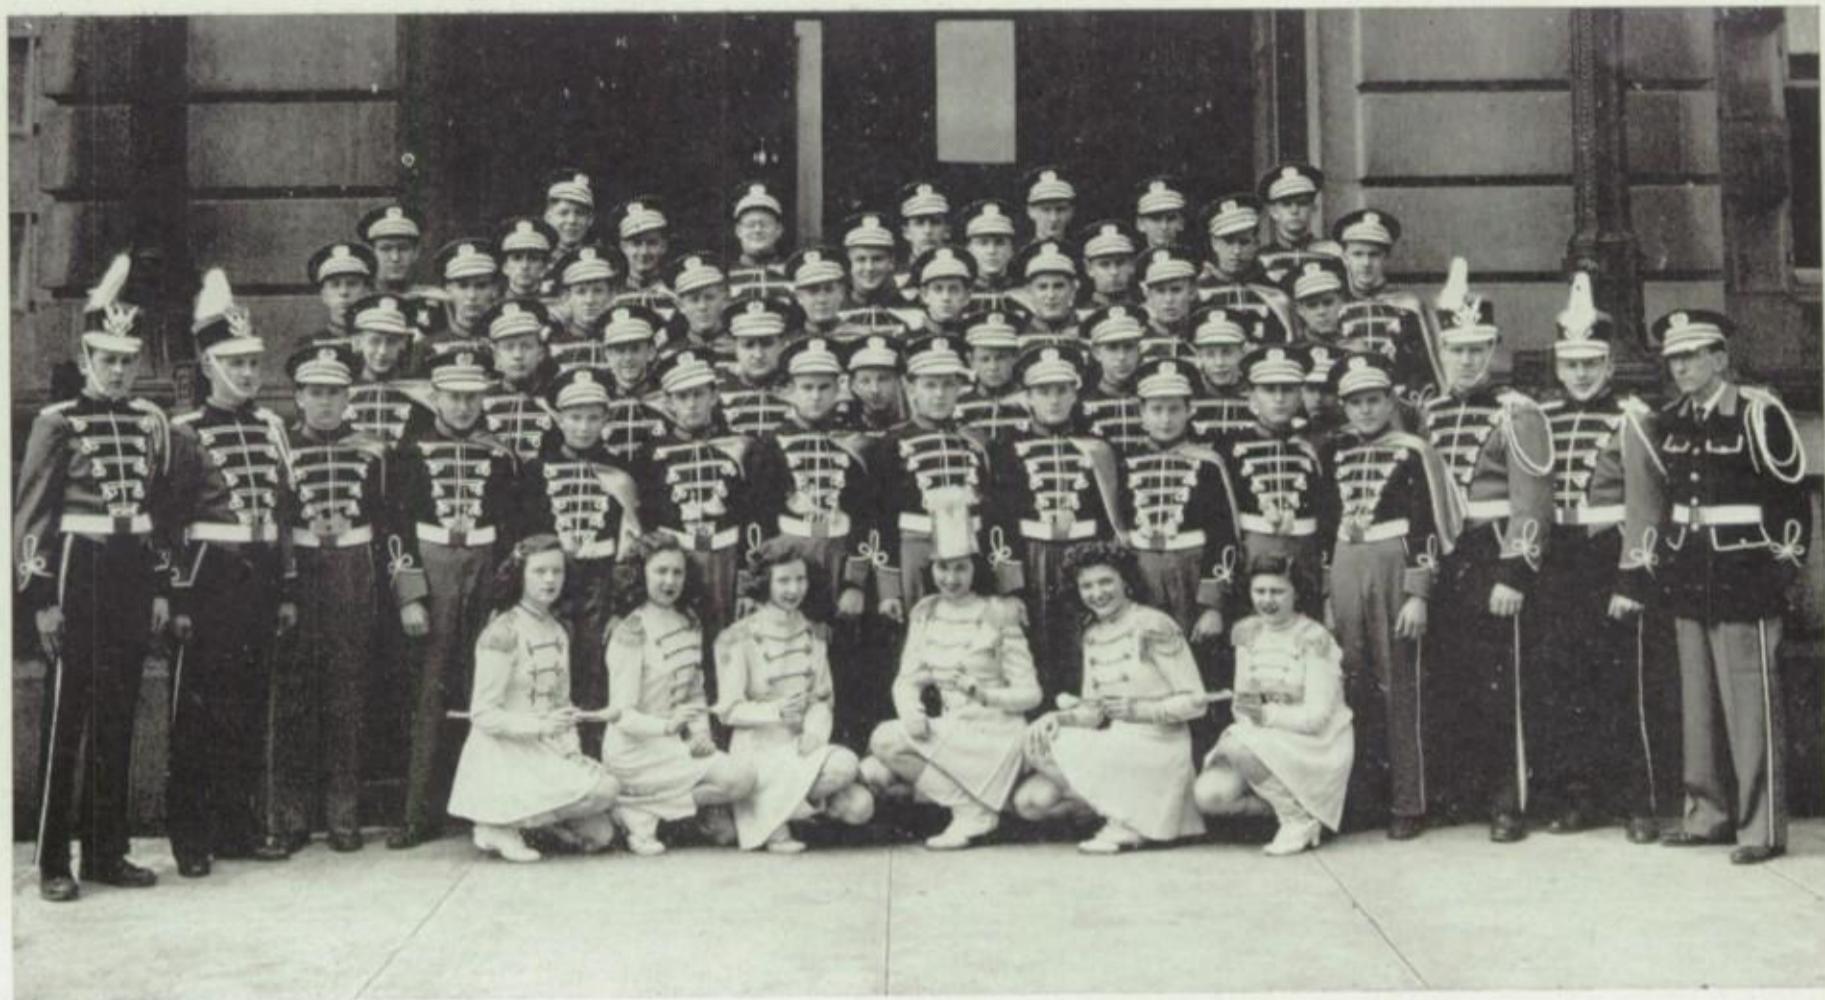

The **Senior Y-Teens**, one of the most popular girls' clubs, held numerous events: a dance, a joint meeting with the Hi-Y, a banquet, a Christmas and Spring Prom. (Page 78)

The **Spanish Club** holds a Pan American Day Program each year on or near April 14th. The juniors entertain the seniors at a party in the spring. Correspondence has been started between high school students in South America and some members of the Spanish Club. (Page 81)

The purpose of the **Speakers' Club** is to give students who are capable of public speaking, a chance to practice. Their ability was proved during the various chapel programs and in the Journal and Breidlin campaigns. (Page 73)

Prizes were awarded **Stamp Club** members for the best display of Christmas Seals. The first prize went to Robert Walker for an outstanding display. Prizes were also awarded for displays in current commemoratives and the Presidential Series. (Page 80)

The **Varsity Orchestra**, every morning plays the familiar "Pride of the Navy." It also has played for all the school entertainments. Let's not overlook George Buynak at the piano, who has made a reputation not only for talent but for dependability as well. (Page 72)

OF PUBLICATIONS

The Board of Publications is made up of the Editorial, Business, Typing and Art staffs. The Editorial Staff, under the direction of Miss Ruth Austin, gathers and prepares all copy. The Typing Staff then types this copy for the printer. The Business Staff, under the guidance of Mr. William A. Connor, obtains all advertisements for the Journal and the Breidlin. Under the supervision of Miss Florence Evans, the Art Staff does all art work for both Journal and Breidlin. Together these staffs produce all school publications.

COUGHLIN OPENS STRATEGY

On the evening of September 19, Coughlin played its first night game and unveiled to the public the first total Coughlin product of Coach "Lou" Palermo. The hard practices of the preceding four or five weeks really seemed to show up as Palermo's powerhouse pretty well shellacked Plains by a score of 34 to 6. After this strong opener, the Red and Blue lost on September 26, a heart breaker to Luzerne High by a score of 2 to 0. A blocked punt in the second quarter gave Luzerne a safety for the

only score of the game. Coughlin did their gaining in the air while Luzerne did their gaining on the ground. The teams were pretty evenly matched but Luzerne had a slight edge in statistics. Luzerne had tied us before, but this was the first time in our fifteen years of rivalry that Coughlin suffered a defeat. This did not dishearten the boys too much because on October 5, they met a very strong Plymouth team who had to fight hard for every gain

WHERE IS THE BALL?

NIGHT FOOTBALL WAS VERY POPULAR

made before they won by a score of 19 to 7. The Red and Blue were going strongest at the finish and scored on a sensational combination pass-running play. It was set up by Hudak who intercepted a pass on his own thirty-yard line. Kozlowich then drove for a first down. He faded back for a pass, was about tackled, but leaped high into the air and tossed the ball to Parri who caught it on the run and, dodging tacklers, carried it into pay dirt. Coughlin had lost but the fight was still there.

NEWPORT—NANTICOKE FALL

This fighting spirit seemed to prevail as the Crusaders conquered Newport by a score of 14 to 0 on October 12. The passing combination of Kozlowich to Parri checked again for the first score on the last play of the first half. Krempasky made the other score on an off-tackle play from the 35-yard line. Podloski kicked both points. Stretching their victory string to three, the Red and Blue defeated Nanticoke after a very back and forth ball game by a score of 18 to 12 on October 18.

MEYERS—G. A. R. WIN

Down at Meyers eight days later after an unspectacular but hard fought game, Coughlin came out on the short end of a 12 to 0 score.

During the afternoon of Nov. 8, Coach Palermo was taken sick but Assistant Coach Peel took over. The boys did their best but were eliminated from the City Championship by losing to GAR on a 13 to 0 score.

THANKSGIVING GAME CLOSE

On November 16th the Green Wave of Larksville proved too much for the Red and Blue as they rolled up a 14 to 0 score but Palermo's Powerhouse came back and, after a rough and tough, hard-fought, thrill-packed game in front of more than 10,000 cheering fans, held the championship Kingston High to a 6 to 0 victory. November 28 was the 27th annual meeting of Coughlin and Kingston. Results?—Coughlin, 13 wins; Kingston, 13 wins; and one tie.

TEAM STARTS WITH NEW COACH

The second coach to take his place among the head coaches is "Tony" Ruddy who started as the basketball mentor for the first time this year. "Tony" has been the baseball coach for the past few years.

Coach Ruddy started getting the team in shape just before football season was over. The team went out and fought hard showing that they had something on the ball.

UP WE GO!

OFF WITH A GOOD START

The Red and Blue were off with a flying start as they downed a pretty good Nanticoke team by a score of 39 to 34. Both teams had the same number of field goals, but the Crusaders made the foul shots count and came out on top. After this fine start the quintet ran into some pretty stiff competition and lost the next four games. Meyers won by a score of 68 to 48. Hanover won 63 to 43. Berwick piled up too big a lead for the Red and Blue to catch up to, although they almost made it, our five losing 45 to 41, and G. A. R. won 51 to 46. The Red and Blue got back into the win column when the team defeated Newport 40 to 38. Our old rival Kingston proved too much for us as they won 45 to 33. A very fine Plymouth team finished up the first half by defeating the Crusaders by a score of 49 to 38.

SECOND HALF

Coughlin's second half in the Wyoming Valley Basketball League started off by another win over Nanticoke by a score of 64 to 53. The Red and Blue then dropped two close ones—Meyers, winning the first 44 to 39, and Hanover, taking the other 58 to 52. The Crusaders then nosed out Berwick 52 to 51. G. A. R. won the next one 49 to 34 but the Red and Blue came right back and drubbed Newport 49 to 32. The Crusaders then avenged a first half loss by really beating Kingston 57 to 43. Plymouth's strong team then finished the season by winning 62 to 48.

TOP SCORERS

The four leading scorers for Coughlin's quintet were Lanning with 162 points, Greenberg with 152 points, Podloski with 139 points and Gottlieb with 110 points for the season. An interesting thing to note here would be that it isn't always the high scorer who wins the game, but the teamwork taken to set up plays offensively, and to break up plays defensively.

TURN HIM OVER

COUGHLIN STARTS THIRD YEAR

January 2 marked the opening of the third year of interscholastic wrestling for Coughlin High's Grapplers. Mr. Dave Mayer coached the boys again as they made a pretty impressive record for the year.

SEASON IS STARTED WELL

On January 4, John Resnick captured the Northeastern Pennsylvania Y. M. C. A. Tournament 185 lb. class championship. The team got off to a good start with a 40 to 3 win over Nanticoke on January 8.

FORTY FORT OVERPOWERS RED AND BLUE

Coming up against a much stronger Forty Fort team a week later, the Red and Blue succumbed by a score of 29 to 13. The heart-breaker of the season came on January 22 when Meyers came out on the top of a 20 to 19 score. Laubaugh, Duffy, Delman, Parri, and Resnick turned in impressive wins, but their efforts were just a little short of giving Coughlin the win.

TWO WON—TWO LOST

On January 31, the Red and Blue Grapplers evened it up at two wins and two losses by defeating Hanover 28 to 13. On February 8, the team traveled over to Kingston and had their

opponents worried for a while before the Crusaders took defeat in their stride after a few good battles in which the Red and Blue accumulated 17 points to Kingston's 24.

THREE WON—THREE LOST

The Grapplers once again evened up the wins and losses by nosing out a game team from Plymouth by a score of 19 to 17. It was a back and forth contest all the way but the Red and Blue came out on top with the necessary points.

MEET POSTPONED

A new name was added to our schedule but because of the big snow on the previous day the meet with Allentown was called off. The Red and Blue then stretched its wins to four as they downed G. A. R. by a score of 30 to 10.

RESNICK COMES THROUGH

After a rather good season of 4 wins and 3 losses, Coach Dave Mayer then sent the team into the District 2 P. I. A. A. Championships. After quite a few very close matches, John Resnick emerged as the lone Coughlin champion. He got as far as the semi-finals in the State Championship Meet.

WRESTLING DIFFICULT

Wrestling is one of the most difficult sports by comparison with other high school sports, difficult in that the man out on the mat is matching his wits and strength against those of another man and he is out there by himself with no one to cover his mistakes.

C. H. S. VICTORIOUS

With Mr. Super tossing out the first ball, Coach Tony Ruddy's Nine won a decisive victory over G. A. R. by a score of 5 to 1 at Artillery Park on April 28. G. A. R. scored in the top half of the first inning and threatened in the second, but Pudloski's great throw from centerfield to get a man going into third stopped that in short order. Kopec's homer in the third tied the game and Blankenbush's homer in the fourth with two aboard sewed up the ball game.

RED AND BLUE DOES IT AGAIN

On May 1, the Crusaders downed a fairly strong Nanticoke team by a score of 8 to 5. Nanticoke scored three runs in the first but the

Red and Blue evened it up in their half of the same inning. The Nans added another in the third, but Coughlin evened it up in the fourth. The last Nanticoke tally came in the fifth, but the Crusaders finished the scoring of the game with four runs in the same inning. Kopec and Makuch both had two hits apiece.

COUGHLIN EDGES OUT HANOVER

A week later the Red and Blue nosed out a previously undefeated Hanover team by a score of 2 to 1. The Crusaders had only two hits to Hanover's five but they made it count. The Hanover pitcher started his own downfall in the fourth inning when he walked Captain Blankenbush, who promptly stole second. Pudlosky bunted and all men were safe as Blankenbush beat the throw to third. The next two men were easy outs; then Pudlosky stole second and, on the poor throw to the bag, Blankenbush scored. Makuch made his and the team's only hit of the game count as he singled in Pudlosky. Credit should also be given to Pitcher Hudak who struck out five men and walked none.

KINGSTON HALTS COUGHLIN

Coughlin High's nine suffered its first setback of the season as Kingston knocked it out of the unbeaten ranks by a score of 4 to 1 on May 9. Captain Blankenbush once again made the first tally in the fifth inning being driven in by Makuch's two base hit.

C. H. S. FIFTH IN PENN RELAYS

The third of the coaches starting his first year as Head Coach is Mr. Joe Peel, who takes over track. After a few weeks of practice which was hindered by the cold snaps, the Red and Blue had a relay team that was in pretty good condition. On April 26th, Coach Peel with the Relay Team, made up of Joe McGlynn, John Resnick, Bill Mitchell, Lou Parri and John Mick-

olichek as alternate, traveled down to Philadelphia. On the next day they took part in the Penn Relays and placed fifth.

On May 1, the Coughlin Crusaders took part in their first dual meet of the season with Plymouth and came out the victors by a score of $84\frac{1}{2}$ to $33\frac{1}{2}$. The Red and Blue took twelve out of a possible fourteen first places. The event and winners are as follows: 100 yd. dash Mitchell; 220 yd. dash Mickolichek; 440, Mitchell; 880, McGlynn; mile run, Anstett; 200 low hurdles, Parri; discus, Teller; broad jump, Parri; high jump, McMahon; pole vault, Biros and Haggerty, tied; 880 yd. relay, Koval, Marrone, Sammon and Resnick; mile relay, Mitchell, Parri, Resnick and McGlynn.

HANOVER MEET ONE-SIDED

Last year's District Champions remained in the undefeated class as, on May 8th, they rolled over Hanover by a score of 109 to 9. The Crusaders placed first in all of the fourteen events. This victory was rather one-sided but this is Hanover's first year at track.

INTERESTING PROGRAM PROVIDED

This year, as in the years before, the athletic girls of Coughlin High needed no persuasion to participate in the many interesting sports provided. The athletic program not only gives the students amusement and pleasure, but brings out the main purpose—that of impressing and developing good sportsmanship.

In the passing parade of sports, basketball proved to be the highlight. Competition was combined with fair play during games with other high schools.

Another eagerly looked forward to activity in volleyball. Freshmen in particular find it most popular. Instead of competing with other schools, they organize teams of their own and play against each other.

Social dancing made it possible for a greater number of girls, as well as boys, to participate and have fun. Their enthusiasm was shown by suggesting different recordings and learning new dance steps.

All gymnastics, training, and team supervision are under the direction of Mrs. Rita Dougher.

MAJORETTES COLORFUL

That dash of color and pep added to our games during the halves is due to our Majorettes. Their grand display of marching and various drills are certainly a credit to our school, and to their adviser, Mrs. Dougher. Special credit can be given to Ann Matasavage for doing an excellent job of leading.
